

BETTER SKIN FROM WITHIN

It is only 90 days to healthier skin with IMEDEEN man.age.ment advance formula

As a musician, Kiat Goh not only has to sound good, but also look good at performances. At gigs, he often has to pull long hours that typically run late into the night. Erratic sleep patterns and the lack of time for an effective skin care regimen often have detrimental effects on his skin.

What are your grooming habits?

I usually do not pay too much attention to my skin, just some cleansing and moisturising in the morning and before bedtime. I do occasionally use some sun-block when I know I would be going under the scorching sun.

How important is it to look good for the work you do?

I think looking fresh and energised certainly enlivens you as well as the people you work with. If you look and feel good, your confidence will naturally shine through in the work that you do.

How has IMEDEEN improved your complexion?

I have certainly noticed an improvement. My skin seems to feel more plump and it isn't as prone to drying up as before even when I have not used a moisturiser.

What was your reaction after you started taking IMEDEEN?

I am pleasantly surprised at the results. With the wide array of products out there on the market, it is really difficult to tell which ones really work. IMEDEEN certainly has proven itself to be a leader in skin care products.

Has anyone noticed the difference too?

Yes, some of my friends have complimented me on my skin and they were surprised that all it takes is just two pills a day.

What I like about IMEDEEN?

What I particularly like about IMEDEEN is the sheer convenience of it. Taking two pills, at any time of the day, keeps my skin supple and moist. With IMEDEEN, all of this can be achieved without the need for an elaborate skin care regime.

Skincare for men - in a tablet

IMEDEEN man.age.ment improves men's skin performance from within. The anti-ageing skincare works in the dermal layer of skin where moisturizers and balms cannot reach. Its patented ingredients of **Lycophene GS Forte™** and **Marine Complex™** work in synergy to enhance skin quality. Two tablets a day give you smooth, healthy looking skin in as early as 90 days.
